PSALM 5: For You, O LORD, will bless the righteous. With favour You will surround him as with a shield.

TODAY'S WORD

Never stop thanking God.

As disciples we are invited to learn to "give thanks in all circumstances" (1 Thessalonians 5:18, NIV). Turning to thanksgiving is a great antidote to the temptation to express anger or fear which we will later regret. It does demand a retraining of the brain.

We have to recognise instinctive responses when faced by challenging behaviour or situations. Am I an optimist or pessimist by nature? Glass half-empty or half-full?

If I'm a pessimist, it's a steeper learning curve. Then, I must acknowledge who I am, but refuse to accept this is God's will in Christ Jesus for me.

I turn to the Jesus prayer when I sense I'm reacting inappropriately. It gives me breathing space, reminds me of my walk with God and connects me with a different part of my internal memory.

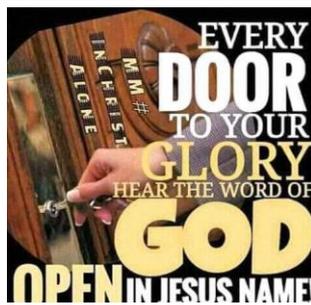

Expressing gratitude encourages others, and ourselves. Thanksgiving increases our positive sense of well-being and reduces stress. I've found it soon becomes a habit and I begin instinctively to thank everyone I meet; the person at the supermarket till, the person selling me my rail ticket, the individual administering wine to me at communion.

Thanksgiving is a habit that can be learned. It's one that replaces my instinctive, negative reactions with one that encourages and builds people up. It connects me with a positive outlook on life.

It may be time to work at unlearning some instinctive reactions that are unhelpful to managing your overall mood and in navigating life. I

It is a habit worth forming for the benefits are felt within yourself and make a big difference to life. It also encourages others.

No matter how dark
it looks, no matter
how long it has been,
God will always
finish what He
started.

A prayer for the morning

Lord,
this morning I commit
my day to you. As the sun
rises with the gleam of each
new day, your mercies are
renewed every morning.
May you be glorified in my
life today, and may the
light of your love shine
brightly within me.
As the birds rise early and
sing of your goodness, this
morning I will sing
praises to your name.
Let the morning bring me
word of your unfailing love,
for I have put my trust in you.
(Psalm 143:8)

Amen

This letter is to you.

The you that's had a rough week. The you that seems to be under constant storm clouds. The you that feels invisible. The you that doesn't know how much longer you can hold on. The you that has lost faith. The you that always blames yourself for everything that goes wrong. To you. You are incredible. You make this world a little bit more wonderful. You have so much potential and so many things left to do. You have time. Better things are coming your way, so please hang in there. You can do it.

FAITH CLINIC

WINNING WITH PRAISE.

Foundation of praise is a heart that loves God and appreciate all HIS deeds. Mk.12:26

-When your heart is sold out to God, praising HIM becomes very easy.

-Once you're addicted to praise, you enjoy God's presence and blessings continually.

-The state of your heart for God is more than your dancing steps.

-A joyful heart makes praise powerful. Prov.23:26

-WHEN PRAISE IS INVOKED, MIRACLES ARE PROVOKED.

-A praiseful life is a wonderful life. Ex.15:11

Finally; the quality of your praise will determine the wonders you'll experience this week in the precious name of Jesus Christ. Amen. Enjoy a praiseful Sunday

BIBLE TEXT: Ephesians 1:9-12

MEMORY VERSE: "Having made known to us the mystery of His will, according to His good pleasure which He purposed in Himself" (Ephesians 1:9).

INTRODUCTION: God had purposed in Himself to redeem man to Himself right from the time when man fell from His presence. This is His will according to His good pleasure, when He made the declaration in the book of Genesis 3:15, "And I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel." This is the beginning of the plan for man's redemption.

I. DEFINITION OF REDEMPTION

- To be redeemed is to be forgiven, holy, justified, free, adopted, righteous and reconciled (Psalms 130:7-8, Luke 2:38, Acts 20:28).
- The word "redeem" means "to buy out." The term was used specially in reference to the purpose of slave's freedom. Leviticus 25:25-27.
- The application of this term to Christ's death on the cross is a substitutionary death. If we are "redeemed," then our prior condition was one of slavery. Jesus has purchased our freedom, and we are no longer in bondage to sin or to the curse of the law of the Old Testament. Thus, the metamorphic use of "redemption" is the teaching of Galatians 3:13, 4:5. Related to the concept of redemption is the word ransom (Proverbs 13:8). Jesus Christ paid the price for our release from the bondage of sin and its consequences (Matthew 20:28, I Timothy 2:6). His death was in exchange for our lives. In fact, the Scripture is clear that redemption is only possible "through His body," that is, by His death (Colossians 1:14).

II. WHY DID JESUS CHRIST COME TO THE WORLD?

1. To redeem man back to God. Gen. 3:15
2. To seek and save the lost. Luke 19:10.
3. To lay down His life for mankind. John 10:7-9.
4. To give eternal life. John 10:27-29.
5. To reveal His Father and glorify Him. John 14:7-11, 16:27-29, 17:3-5.
6. To destroy him that had the power of death through death.
7. To destroy the works of the devil. I John 3:8, Heb. 2:14.

III. HOW TO RECEIVE THE REDEMPTIVE WORK?

1. Acknowledge yourself as a sinner.
2. Believe the gospel on the work of redemption preached to you.
3. Confess your sin (s) and forsake them all. Pro. 28:13.
4. Confess with your mouth that Jesus Christ is Lord. Romans 10:9-11.
5. Repent towards God and have faith towards Jesus Christ. Acts. 20:21.

CLASS DISCUSSION

1. Explain the term redemption.
2. Mention those things that led Jesus Christ to the world.
3. How can we receive the redemptive work?

CONCLUSION:

The streets of heaven will be filled with former captives, who through no merit of their own find themselves redeemed, forgiven and free. Slaves to sin have become Saints. We were slave to sin, condemned to eternal separation from God. Jesus Christ paid the price to redeem us, resulting to our freedom from slavery to sin and our rescue from eternal consequences of sin.

ASSIGNMENT:

Where is it written in the book of second Timothy, "Who hath saved us, and called us with a holy calling, not according to our works, but according to his own purpose and grace, which was given us in Christ Jesus before the world began; but is now made manifest by the appearing of our Saviour Jesus Christ, who hath abolished death, and hath brought life and immortality to light through the gospel: whereunto I am appointed a preacher, and an apostle, and a teacher of the Gentiles."

REDEMPTION
*is not just about
the*
SURVIVAL
*of our soul.
It's about
the*
REVIVAL
*of a soul that was once
dead.*

CANVAS ON WHICH GOD

SHARING THE GOOD NEWS Romans 10:8-17

Can you imagine filling a ship with precious cargo and launching it into the sea, only to watch it repeatedly dock without offloading anything? I imagine silent Christians are much like this ship. God has personally blessed believers with salvation and eternal life and entrusted to them the message of the gospel, yet too few of His children are willing to share with others the good news of salvation in Christ.

What causes us to stay silent? We know that Jesus has commanded us to go and make disciples (Matt. 28:18-20). Furthermore, He has assured us that we will be empowered by His authority and presence with us. God is offering the invitation of salvation to "whoever will call on the name of the Lord." He has even made it clear that our communicating the good news is the means by which people will come to saving faith (Rom. 10:13-14).

Sometimes Christians who don't share their faith defend that choice by saying, "My faith is private. It's between me and my God." But that is not the model we see in Scripture. Genuine faith is confessed with the mouth and shared with the world.

Every believer has been entrusted with the good news of salvation through Christ. It is unquestionably the single most important piece of information we have, because it offers the only door to heaven. In John 14:6, Jesus said, "I am the way, and the truth, and the life; no one comes to the Father but through Me." We have to courageously step forward in faith, be willing to set aside worldly concerns, obey God, and tell someone about Jesus.

Prayer for today

Today, I pray that everything you and your household are celebrating as a gift from God shall not be taken away from you.

Where you are expecting a little to sustain you, the Lord will change it to abundance. Everything you consider your last provision will be multiplied in the mighty name of Jesus.

Have an awesome Sunday in God's presence. Shalom!!

Today, God wants you to remember that your battle is already won, so please hold your peace. You can hold your peace because you have NO reason to doubt your chances for victory - victory is already yours! God wants you to believe that with all your heart, regardless of what the situation is saying; God has already spoken and He has declared that victory belongs to you! Be blessed and be encouraged!

What is the Good News of Jesus?

God is not angry with us but loves us unconditionally

God's love for us takes away our fear, guilt, and self-condemnation

We are not asked to follow religious rules but to love people

As followers of Jesus, we are agents for expanding God's kingdom on earth

Death is not the end because Jesus offers us eternal life and happiness

Scripture says that GOD wants to be our sun and shield. What does the sun do for us? It lights our way, it keeps us warm, it nourishes the plants of the earth so that we can have food. The earth is sustained by its relationship to the sun, and GOD wants to sustain you through your relationship with Him. He also wants to be your shield of protection against all the fiery darts of the enemy. He wants to light and direct your path.

Are you ready to receive Him as your sun and shield today? Have you been relying on something or someone else to be your protection or give you direction? If you have, decide today to lean on your heavenly Father. Open your heart and receive all He has for you. Receive His favour, blessing and protection today. Let Him be your sun and shield as you move forward in victory all the days of your life!

THE FOUNTAIN YOUTHS

OVERCOMERS

Christ is My Life

I have found the secret of living.

What is it?

It is counting on Christ who lives in me. It is *"not I, but Christ."* I count on Christ for everything I need.

Perhaps I have a bad temper. I have tried for years to overcome it. Now I turn it over to Christ, the faithful One, who lives in me. He takes care of it, and it is gone.

A little girl had learned to have

victory over temptation. Someone asked her, *"How do you overcome when you are tempted?"* She said, *"Before, when the devil came knocking at my door to get me to do something wrong, I would go to the door and say, 'don't you come in! Don't you come in!' But He would come in anyway.*

"Now, when the devil comes knocking at my door, I say, 'Lord Jesus, will You please answer the door.' When the devil sees the Lord Jesus, he bows low and says, 'I am sorry. I have come to the wrong door.' And he turns and leaves."

What if I fail?

What should I do? I should confess my sin and put it under the precious blood of Christ. In the very next moment I can say, *"Lord Jesus, You are still my life and my victory, You shall live out Your victorious life through me."*

My old life ended with my death with Christ. I am a new person in Christ. Christ is my life and my victory now.

"Lord Jesus, I have seen from God's Word that my old life ended with my death with You. I do not want SELF to rule in my life any more. I am now putting my old life on the cross with You. I now choose to live by Your life, instead of SELF. From now on, it will be not I, but Christ living in me."

READERS' DIGEST! READERS' DIGEST.1.

*A TOUCHING AND MOTIVATIONAL SHORT STORY

There was an aged artist who lived in a small village. The man used to design beautiful artistic works to be sold at an attractive price

One day, a poor man among the villagers challenged the old man saying: You earn a lot of money from your handiwork but why don't you assist indigent people in the village?

Can't you see the butcher who is not as rich as you are, but still shares free meat to the destitute people in the village, Also, look at the village baker, a poor man with a large family, yet he gives the poor people free loaves of bread.

The artist did not respond angrily to the challenges, rather just smiled.

The poor man was so confused about the reaction of the artist so he left him and went out spreading rumours that the artist was so rich, but he was a stingy person who only accumulated wealth and refused to help less privileged. The entire villagers took vengeance, they broke away from the old artist man and they all forsook him.

In a mean time, the aged artist was sick but nobody among the villagers cared to visit him, therefore he died a lonely man. The days passed by, the villagers observed that the butcher stopped free distribution of meat and the baker could not give the destitute people free loaves of bread any more, despite their continuous trooping to the bakery and their hope to have something to eat.

When both (the butcher and the baker) were asked the reason behind the sudden cut off of the welfare to the villagers, they said that: " the elderly artist who used to donate a large sum of money every month to share free meat and loaves of bread to the poor people in the village has died, so the welfare has to stop."

Actually, many people may have wrong impression about you while others may have different opinions, none of them could benefit nor harm your good intention.

Therefore, don't pass judgment on any one based on his physical appearance. There are things about his personal life, if you were privileged to know, your judgement would surely be different.

For example, a man died at nightspot/ dance hall. The other person died in the mosque/Church. The first person entered the dance hall with intention to preach to them (against indecency) The second person entered the mosque/Church to steal money or bags.

For this reason, you and I cannot decide who enters heaven nor who enters hell-fire. Fear God in privacy and fear God in the open. Human physical appearance is a deception, therefore, forgive, pardon and ignore people's iniquities. Pray for God's guidance on erring people.

Be good to everybody, don't cut off your relationship with a person who does not please you. Establish unity and harmony with people, God will love you and people will love you too.

The Lord who created the souls, knows what the souls conceals.

I found this story very insightful and I think I should share. Have a lovely day, God bless you

Shola came to visit Benita, her friend and pastor's only daughter. Benita is a child of God filled with zeal and knowledge of God. Very spiritual as well. She heads the single sisters forum in her father's church she called QUEEN'S COT. Aside being respected as the G.O's daughter, her spiritual maturity cannot be ignored. She is indeed a leader of reputable example. She would always say...." MY PARENT MADE THE WAY, BUT I MADE THE CHOICE. I AM NOT THIS WAY BECAUSE OF MY PARENTS BUT OF MY CHOICE. I MADE A CHOICE TO SERVE GOD, I WASN'T FORCED, WAS MY PERSONAL DECISION THAT'S WHY IT'S COMFORTABLE AND THAT'S WHY I DON'T HAVE TO STRUGGLE.

Shola came to invite her to a programme her course mate's church was about having. What kind of programme? Benita asked Praise night. Panam Percy Paul will be live. (Benita jumped for joy) what!!!! Serious??? I'm coming please. What an opportunity to see that great man of God. LATER THAT EVENING.....Dad, Benita called. Yes princess, (searching through his bible) how are you today? I'm good dad. Dad please I need permission. Shola and I were invited to a programme. (Sits next to her dad) but dad, it's an all-night and PANAM PERCY PAUL will be there live. Woooooow, amazing, when is this? Cos, I will like to go too. 15th of this month. Its 15th. Oh no!!! I have a programme on the 15th. You have my permission. Make sure you tell mummy about it. (Jumped for joy) thanks dad. I will.

ON THE FIFTEENTH.....Sandra, shola's course mate came with two tickets. Surprised to see BENITA. SHOLA who is this with you please? Oh, my bad, so sorry, her name is Benita. My best friend and my pastor's only daughter. Woow, nice but I have just two reservations. You know a big person is coming. You didn't tell me someone will be coming with you. Its fine, Benita replied. I will sit anywhere. What matters is worshipping in his presence. THEY GOT TO THE VENUE-----It's a very big church. Benita entered and felt goose bumps all over her. JESUS, I HOPE I'M IN THE RIGHT PLACE. I just don't feel comfortable. BENNY, shola called, are you OK? I'm not, I just don't feel comfortable here. Sandra was looking at Benita with so much despise. This place is the house of God replied Sandra, why being uncomfortable? Don't you go to programmes?

Hmmm, Benita sighed. I sense a heavy presence of marine demons in this place. SANDRA GOT ANGRY. Will you stop that? This is a house of God please. Don't criticise my church please. Shola replied, Sandra don't be angry but my friend here has the gift of revelation. Maybe they have come to scatter the programme. Hmmm, there is more to this HOLY GHOST HELP ME Benita replied. Sandra hissed and went in. Benita looked at her wristwatch, it's 9:45 pm. -wow, it's late already she muttered. Holy Ghost shield me with your glory. Amen.

The programme started. Benita wasn't comfortable at all. Praise and worship was going on, she wasn't just flowing. She could still feel the presence of marine spirit. Everyone was busy worshipping and singing, dancing and jubilation. Benita was seated praying. She looked shola's way. She was busy dancing and singing. Few minutes after praise and worship, it was announced that PANAM PERCY PAUL could not make it to the programme. Everyone felt disappointed, Benita too. That was actually the reason she was there.

Time for ministration. A woman walked up to the podium as MINISTER ZINA. As she handled the mic, Benita's eyes were opened and what she saw handling the mic was a GOLDEN FISH WITH VERY LOOOOG HAIR. -Blood of Jesus Christ she muttered. Minister ZINA looked at her -young lady. Benita answered with shock -Yes please -are you OK? -Yes ma - good. Please don't be distracted. Listen to the word of God. The minister continued her message. Benita saw yet another vision. The altar was a big ocean with millions of mermaids. Blood of Jesus Christ. Holy Ghost!!! What place is this? Oh Jesus, save me please. The woman turned to Benita again. Benita could sense the rage in her eyes.

Arrrgh, continued Benita, and I did not even pray. I was so carried away by the guest. PANAM Percy Paul was only a scam to gather people (she looked around) and they really did. Holy Ghost please save me today, I promise to be careful next time. Again, she looked shola's way. She was busy enjoying the sermon and shouting amen to minister Zina's declarations. Benita shook her head. If only she knew or could what I just saw.

Message is over but the minister had some announcements to make. -somebody shout glooory. While I preached, God laid in my heart to help people. If you are sitting on the green chair you are one of them. Please wait behind. (There are three colours of chairs in the hall. Red, white and green. There was jubilation, clapping and shouting.) MINISTER ZINA pointed at Benita - you, young lady (she smiled) daughter of the most high. Hey!!!! (She speaks in tongues) I see so much anointing on you. Please step, the Lord said I should lay my hands on you.

Benita stood up. I'm very sorry ma, you can't lay your hands on me. Minister ZINA smiled. Hmmm, God told me you will refuse. Test he said I should help you. Wait and see me. I'm also very sorry ma. I won't be needing your help. Thanks so much. Hahahaha minister ZINA laughed. God was right. He told me you will refuse. Twice. The programme ended at about 4:30am. Shola was to wait because she sat on the green chair.

Sandra was so mad at Benita. She walked up to her. How dare you? You little brat. How dare you humiliate my pastor like that by turning her down? You are such a fool and an ingrate. Benita looked her in the eyeballs. -You are one of them. Sandra was shocked - WHAT!!!! - Yes you heard me and God will expose you all. -- hmmm, I can see that you know too much. Don't dare us, if you still value your life. ---ten thousand of you cannot harm me. I bare on my body the marks of Jesus Christ. - be warned. We are a moving train. Don't try stand on our way. We crush without mercy. - I am the rail. I cannot be crushed. Just then MINISTER ZINA SURFACED. She dragged Sandra out. -what are you doing owning up to her accusations? You have just ruined my plans by identifying with her claims. Sandra you should be wise. What is wrong with you? Just one confrontation and you succumbed like this.

By the way, did I ask you to defend for me? This is who I have been looking for. That lady you see ther3 is WANTED by the marine world especially the congregation of the sixth ocean. Should anything happen, you will pay dearly.--I'm sorry mother. I pledge and volunteer myself in the mission. -too bad Sandra, you are no match for her. She is higher than your level. I am her only match for now. - What? Is she that powerful? I am on the 24th marine power region and you say she is higher than me? - hmmm, Sandra, do you think we are up against a chicken? Go to the control room now and check her profile. Some who brought down queen haziba? - What? She did that to queen haziba? (Continue on the next page)

- Yes, and that is why we do not intend destroying her, she is WANTED, she must join us. She was the main reason we had this programme. Listen to me Sandra, do not interfere. Stay clear off her. She is your superior--yes mother. I hail the queen mother. - Now be gone. Sandra left.

Benita was still waiting for shola to come out. She was spiritually alert all through praying in her spirit. Minister ZINA walked up to her. -Anointed one of the most high, what troubles you? Sandra stood up. - How dare you drag the name of the Almighty God into your mess Queen ZINA, Queen of the 100th marine region? What guts!!!! Be rest assured that the Lord will expose you. And I, BENITA JOHNSON, Servant of the most high God will not rest until you are brought down. - I mean no harm. I want to help you. I am MINISTER ZINA this is my Church. I am a minister like your parents. - Oh please, you should know more by now. I know who you are. When your superior came to strike my mum with madness, by the power of God she was crushed. Quit the deceit, I know you. - Fine. Yes I am who I am. You need my help. I do not need your help. Psalm 121 from. Verse 2, my help cometh from the Lord who made heaven and the earth. He will not suffer my foot to be moved, he who keep Israel will not slumber, Behold, he who keeps Israel will not slumber nor sleep. The Lord is my keeper, the Lord is my shield.

Minister ZINA could not stand it anymore. She was shivering. - You remain wanted by us. I will frustrate you till you join us. I will turn all that brings you joy to bitterness. I will bring you multiple sorrow till you bend bend and join us. - Shadrach Meshach and Abednego defeated the fire. Daniel defeated the lion's den. My Lord Jesus Christ defeated the grave. Queen ZINA, I will defeat you. She left. Almost immediately shola came out.

Benny, who are you talking to? What kind of question is that? Can't you see minister ZINA here? There's nobody here. Just you and besides I have been with minister ZINA inside her office. What? Oh I see. Please let's leave this place. I will explain later and what have you been doing there? Counselling o. That woman is a woman of God in deed. She told me all I have been going through and promised to help me. Did she give you anything to eat? Yes. What!!! And you ate? No oo, she gave me tea not just me, everyone who waited. I didn't take because it's too early and I haven't brushed. Deep breath) ha! Thank God. No wonder you still talk sense. How do you mean? Hmm, let's get home first. Where is Sandra? Gone I guess. Listen, henceforth you have to be very careful with that lady. Please. Hmmm, why?

Let's get home first. They board a bus.

Reverend Ferdinand Johnson and his household did not sleep all night because of his wife's dream. They kept vigil all night. Pastor Mrs Grace Johnson dreamt that the ocean and everything in it came up against their daughter Benita. She was fighting so hard and was getting weak. Suddenly a GOLDEN FISH WITH VERY LONG HAIR came up and swallowed her.

Benita got home at about 6:35 am. Her mum rushed to her. Oh thank you Jesus. Baby you are welcome. Thank God you are safe Benny her father replied. Why is everyone looking worried? Hmm, sis, her brother answered mum had a terrible dream. Really? What was the dream please? Richard narrated the dream to Benita. -Hmmm Benita sighed. Mum, it wasn't just an ordinary dream, it is a pure revelation. She narrated her ordeal to her family. They started prayers immediately. As they prayed, power came down. Heaven's glory engulfed the whole place where they were. God assured them of his presence and protection.

Benita was still worried about her mum's dream. THE FISH SWALLOWED HER.

REV FERDINAND spoke on the need to be careful with the kind of programmes they attend. They must not welcome the idea of just anybody with the inscription MAN OR WOMAN OF GOD, laying hands on them. They must hence forth prayerfully study any programme that comes our way. Benita wondered why shola has not been to church since the day they returned from that programme. She hasn't visited either. She decided to visit.

AT SHOLA'S RESIDENCE

Benita walked into shola's sitting room which was already open. Lo and behold, SANDRA was in there. At sighting Benita, Sandra stood up. Shola, I should be on my way now. Will see you some other time. Why, you're leaving already? Yea. I have some run around to do. See you in school tomorrow. She left hurriedly.

Benny, so at last you decided to come check on me? Not fair o. Not been feeling well. So sorry dear. (Feeling her body with the back of her palm) how are you feeling now? I'm better thanks. You're healed in Jesus name. What was Sandra doing here? She came to check on me and to remind me of the form I'm to fill and submit. What form? (Shola brought out the form and gave to Benita) I'm to fill all these areas and seal it with my blood here. (Pointing to the column)

JESUS, shouted Benita. Seal what with your blood? Are you OK? Minister ZINA said as Jesus sealed his covenant with us with his blood, that is how we must seal it on earth because we are meant to be like him. JESUS CHRIST, Benita screamed. Shola, you are about entering a covenant with queen of the MARINE. Benny, that's not true. Minister ZINA is a woman of God. This form is for me to be a member in her society she called HOUSE OF DEBORAH. Sandra is a member. Since she joined, she has been independent. She pays her fees on her own. No longer waiting for her father and wicked step mother. I want to be independent too.

Shola, I won't let you do this. I won't allow them take you. (Starts speaking in tongues) ooooooh holy ghost. My bible tells me, that the lawful captive shall be delivered. For Lord will contend with those who contend with us and he will save our children. (Speaking in tongues) you marine spirit, deposited in this body in form of a snake. Shola started shouting. Loose your grip. Out of this body. Now, Now, Holy Ghost, please descend and take over. Shola was still shouting. She started coughing and vomiting. Benita's eyes were opened. She saw MINISTER ZINA enchanting to kill shola. You were supposed to keep it a secret you swine. Minister ZINA said still enchanting. ZINA, let her go NOW. It is an order. Stay away from this Benita, I am not here for you. She broke the edge and according to the bible, the serpent will bite.

Benny, I'm dying cried shola. No, you will not die. For the Lord is your light and your salvation, whom shall you fear. When the enemy even our foes comes to eat up our flesh, they stumbled and fell. ZINA, in the mighty name of Jesus Christ, fall. Who is that mountain before Zerubbabel? Who can stand against the Lord and his anointed? Be gone in Jesus name. ZINA left shola.

Shola stopped shouting. She has been delivered. Benita burned the form.

To God be the glory.

LEST WE FORGET

MAKE EVERY DAY AS AN OPPORTUNITY TO
 SERVE OTHERS AND GIVE OTHERS HAPPINESS
 AND JOY.

What you give is what you will receive,
 and sometimes what we receive is
 more than what we give.

See!

*I will not forget you...
 I have carved you on the palm
 of my hand.*

ISAIAH 49:15

Before you hold
 a grudge - hold a
 conversation. It
 may be a result of
 a misunderstanding

LAST WORD

So many times in life there are opportunities that we miss and doors that we fail to walk through because we fail to recognize God's will. At the same time, the devil can also stand to block us from receiving God's blessings, or he can divert them elsewhere.

When you rush things and "force" them to happen in your own strength, you eventually end up with an "Ishmael" which you can't live with but must get rid of.

All you need to do is to call and wait on Him. The birthing of your "Isaac" will be the sole responsibility of Jehovah who never fails to accomplish word.

Everything that the enemy has swallowed, they must vomit all in the Name of Jesus.

PRAYER POINTS

1. Every satanic personality that has signed satanic agreements against my life, your time is up. Backfire in the Name of Jesus.
2. Any good that I have done that people have used against me, let their wickedness torment them and let the angel of the Lord chase them in the Name of Jesus.
3. Let the plots of my enemies backfire against them in the Name of Jesus.
4. All those setting traps against my life or pointing evil fingers at me let their traps trap them in the Name of Jesus.
5. O God, answer me by fire. All those pretending around me, expose them and cut off all the doubled-faced people around me.
6. Every hidden personality that wants to put me down, be destroyed by fire in the Name of Jesus.
7. My children will live long for signs and wonders. Affliction cannot touch them in the Name of Jesus.
8. Wherever my picture or that of any of my family has been taken, let the place become desolate. I bring the pictures back, and I call back our success and fruitfulness in the Name of Jesus. AMEN, AMEN & AMEN

Stop, consider and think, what does Christ mean to you? Deep down in your spirit what sets your heart on fire? What is the power that makes your engine go? Each one of us experiences the love and grace of God through the filter of our own unique perspective. So just let your heart be filled with the wonderful unique promises of God that captivate you. Let the illumination of his glory push those buttons of intimacy and enjoy the closeness of his acceptance and love.
