## FAITH CLINIC

**How important are morning prayers?**

**The answer in 13 points?**

- 1) Morning prayer is very important because you meet God before meeting the devil.
- 2) You meet God before meeting the circumstances of life.
- 3) You talk to God before talking to men.
- 4) Communicate with God before your fellowship with others.
- 5) You hear news from Heaven before receiving news from the earth.
- 6) You sit before God before sitting in front of men.
- 7) You kneel before God before kneeling before men.
- 8) You honour God before honouring men.
- 9) You enter the presence of God, before entering the presence of Men.
- 10) You nourish your Spirit before feeding your body.
- 11) You call Jesus before calling all the other little names in the world.
- 12) You first look at Jesus Christ before looking at yourself in the mirror.
- 13) Sweep impurities from your heart before sweeping your house.

So, beloved, wake up. Communicate with your Lord- Jesus Christ!

Prayer is a powerful weapon. This weapon is in your hand, and its power is in your mouth. So get up, and use the power of prayer, which will endow you with the power from on high.

To get up in the morning to pray is a powerful secret to success; to obtaining power and to grace from the source. God's beloved, share this message with our friends so that we are in the habit of putting God in the first position, every day of our lives.

## Change is coming.

Idil Ahmed @lawofattractionlive

Everything in your life now will begin to propel forward. You'll notice a shift from stagnation to flow, from lack to abundance, from confusion to clarity, from pain to peace. This is the turning point.

## A prayer for the morning

Dear Lord, thank you for this new day and for keeping me safe through the night.

Please protect my heart and mind today.

Help me to rise above the negativity, harshness and division that seems to be taking over our world. Help me to focus my thoughts on things that are right, pure and true. Help me to be slow to anger.

Please give me your wisdom and fill me with your peace. May I show the same grace to others that you show to me. In

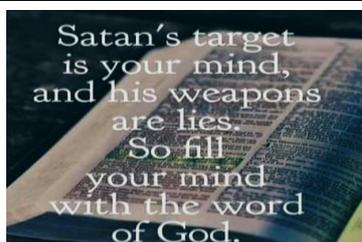

Jesus' name I pray. Amen

To the one who created sleep but Has never closed His eyes, Thank you for another day.

## JESUS CALLING

FIND FREEDOM through seeking to please Me above all else. You can have only one Master. When you let others' expectations drive you, you scatter your energy to the winds. Your own desire to look good can also drain your energy. I am your Master, and I do not drive you to be what you are not. Your pretense displeases Me, especially when it is in My "service." Concentrate on staying close to Me at all times. It is impossible to be inauthentic while you are focusing on My Presence.

For you were once darkness, but now you are light in the Lord. Live as children of light (for the fruit of the light consists in all goodness, righteousness and truth) and find out what pleases the Lord. —

## \*TODAY'S WORD\*

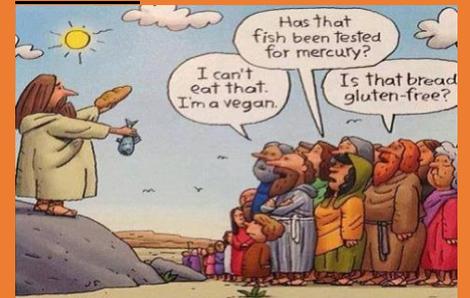

In this day and age, our culture has become so accustomed to having constant activity going on - computers, mobile phones, television, email, video games. There's nothing wrong with being entertained, but sometimes we have to stop and be still so we can focus on knowing GOD.

This is especially true during the difficult times in life. When you are facing a challenge, it's easy to want to run to a friend or talk about it with a neighbour. But at some point, you have to stop and say, "GOD, I rest in You. I know You have me in the palms of Your hands."

Remember, our battles are spiritual battles. The people in your life aren't your enemies. The forces of darkness are. When you choose to be still and know that the Greater One lives on the inside of you, you are saying to the whole world, "I trust GOD. He is my Defender." When you choose to believe in Him, you will enter into His rest.

Remember, the battle belongs to the \*LORD\*. As you are still before Him, as you tune out the distractions of the world and lean into Him, you will find rest and experience His victory and blessing in every area of your life. Just try it and see.

## **PURPOSE OF CREATION II**

**BIBLE TEXT:** 2 Timothy 1:9-13

**MEMORY VERSE:** "Who hath saved us, and called us with a holy calling, not according to our works, but according to his own purpose and grace, which was given us in Christ Jesus before the world began." II Timothy 1:9.

**INTRODUCTION:** We started looking at the purpose of redemption in the last lesson and we have examined the definition of redemption, what led Jesus Christ to the world and how to receive the redemptive work. Today, we shall be examining the plan of redemption and the benefit of redemption.

### **THE PLAN OF REDEMPTION**

1. God became man. The Word of God became flesh. He took the form of man and was seen in the form of Jesus Christ. John 1:13-15, Philip.2:5-9, ITim.3:16.
2. Jesus Christ died on the cross for the sin of mankind, to redeem man back to God. Gen.3:15, Philip.2:7-11, John 1:29.
3. Calling upon the name of the Lord Jesus Christ to be saved. Rom. 10:13.
4. Believing on the Lord Jesus Christ as Lord and His finished transaction of the work of redemption He did and died for on the cross. This is done before calling upon the name of the Lord to be saved.
5. Hearing the gospel of Jesus Christ, concerning His death, burial and resurrection. This is done before believing the Lord Jesus Christ and the gospel.
6. Someone must preach the gospel as a preacher before anybody can hear it. Rom. 10:14
7. The preacher must be sent before they can preach. Rom. 10:15-17.

### **BENEFIT OF REDEMPTION**

The benefit of redemption includes:

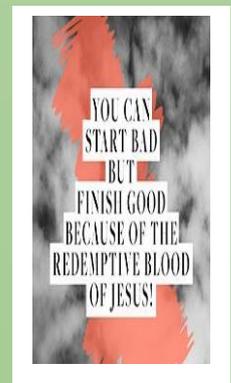

1. Peace. Rom. 5:1-3, Col. 1:18-20.
2. Righteousness. Rom. 5:17.
3. The indwelling and sealing of the Holy Spirit. I Cor. 6:19-20, Eph. 1:13.
4. Freedom from the curse of the law. Gal. 3:13.
5. Adoption into God's family. Gal. 4:5.
6. Forgiveness of sins. Eph. 1:7.
7. Deliverance from the bondage of sin. Titus 2:14, I Peter 1:14-18.
8. Salvation from the wrath of God. John 3:35-36.
9. Eternal life. John 10:27-29, 17:1-3.

### **CLASS DISCUSSION**

1. Explain the plan of redemption in its order.
2. Mention the benefits of redemption
3. What are those things that initiated the fall of man?

**CONCLUSION:** The fall of man was initiated by confrontation from without (Genesis 3:1-6), communication she (Eve) listened to and received the philosophy of sin, "I will be like God" (Genesis 3:4-5) and conformity to sin repentance from God, faith in Satan's lie and willingness to disobey God (Genesis 3:6). Man became partaker (victim), not the initiator of sin. Thanks to our Lord Jesus Christ who came to this world and died a substitutionary death for us to redeem us from the bondage of sin, flesh, world, environment and Satan their backbone. Jesus Christ is our Redeemer and He is alive, amen! Today, we have come to the end of section three.

**ASSIGNMENT:** Where is it written in the book of Prophet Isaiah that, "Yet it pleased the Lord to bruise him; he hath put him to grief: when thou shalt make his soul an offering for sin, he shall see his seed, he shall prolong his days, and the pleasure of the LORD shall prosper in his hands."

'THE WHOLE CREATION PROCLAIMS THAT POWER BELONGS UNTO GOD. BUT IN NOTHING WILL HIS POWER BE MORE ILLUSTRIOUSLY DISPLAYED THAN IN THE WONDERS OF REDEEMING LOVE.'

Today, I pray that by the grace of God, war will break out in the camp of your enemies. Our good Lord will make them fight one another until they totally destroy themselves.

I command all windows giving the enemies access into your life to be closed now. The land shall bring its increase to you. From now onwards, you and your household shall not lack any good thing in life, in the mighty name of Jesus. Amen.

## WHAT WOULD JESUS DO?

Luke 6:39-40

In the 1990s many Christians joined the trend of wearing small wristbands bearing the letters W.W.J.D., which stood for the question "What Would Jesus Do?"

Although the fad has passed, the question is still valid.

It's designed to prompt us to consider whether our words, actions, and attitudes are an accurate reflection of the life of our Saviour.

However, before we can accurately assess whether we are doing what Jesus would, we need to have a comprehensive understanding of what He said and did, as recorded in Scripture.

It's easy to take a few verses and come away with a simplistic view of the Lord.

Most people are tempted to make Jesus into an image of what they want Him to be instead of trying to see the whole picture. Yes, He responded to people with love and compassion, but He also told them to stop sinning and warned them about the dangers of hell.

If we truly want to respond like Christ, it will take more than a reminder from a bracelet. We must yearn to "put on the Lord Jesus Christ, and make no provision for the flesh in regard to its lusts" (Rom. 13:14).

This means we must learn who Christ is through daily Scripture reading and pray for Him to transform our heart. That will help purify our life from sin and align our thoughts and desires with His.

Then, as we not only show His compassion and concern for the lost but also warn them of the danger they face by rejecting Him, some may be drawn to our Saviour. And since "the Son of Man came to seek and to save the lost" (Luke 19:10 NIV), we know our actions are in line with what He would do.

WHEN IT RAINS, IT POURS BUT MY GOD CARRIES A BIG UMBRELLA!  
Thanking God for being my Umbrella. As I walk through the storms & the rain I know that God is always right there, ready and eager to step in and help. I know the umbrella never eliminates the storm, but it makes the storm a lot easier to bare. So when I feel storm clouds brewing, I get excited. I am about to bond with the King of all Kings under His umbrella God gives me an open-hearted invitation, "Come, come, come. I will bless thee. I will walk by your side. I will see you through. In every trial, I will be your partner, and your God, and your guide, your strength and shield and buckler."  
For This God's Praise Will Continually Be In My Mouth!

**AN END-TIME REVELATION FROM GOD**

I saw a wonderful big train, very long to the extent that I could not see its end, carrying different kinds of passengers -- men and women, young and old and of different languages and race. Beside the train there was a title - **THE SAINTS ON THEIR JOURNEY TO HEAVEN.**

Suddenly, I saw people jumping out of the train as a result of delay in their daily food and it got to a time when I particularly wanted to get out but a man behind me urged me to exercise more patience,

He added that those that were leaving the train had been spiritually injured. Though physically they may look healthy, but their spiritual lives had been endangered. That was why they could not continue with us again on the journey.

Reluctantly, as I wanted to have my sit. I saw another man holding a trumpet making an attempt to blow it. Immediately I saw this, I quickly ran towards the old man in order to hug him in appreciation of the advice he gave me.

But to my big surprise, instead of the man to have a cheerful look at me, he was crying profusely and bitterly. I asked the man the reason behind the crying.

He told me that he was not happy due to the fact that billions of the saints had gone out of the train as a result of challenges of life and the situations many of them found themselves.

"But Sir, this is worthy of celebration because we have made it already". I said to the man. "Of what benefit is it if we make it but miss our children, wives, family members, relatives, friends, pastors, church members, leaders and other people that are very close to us in one way or the other? The man asked.

He added that some of those that won many souls into the train are no longer in the train. Some of those that helped us on to the train are now found wanting on the journey.

"What can we do now?" I asked. "Let us try all our possible best to start shouting their names; calling them to come back for the trumpet is about to sound" he answered.

Immediately, we started calling them with a louder voice, pastor, G.O, Reverend, Brethren, etc. . . . Surprisingly, I saw many of them coming back towards the train. But they had been in one way or the other injured to the extent that some of them were crawling like babies because they were carrying serious injuries.

The man concluded that every Christian should make use of their gifts and the resources at their disposal to call people back into the kingdom before the trumpet is about to finally be blown.

## OVERCOMERS

### God's Great Plan

Even before God created the first man, Adam, God had a great plan. God knew that Adam and Eve would disobey Him. He knew that men would rebel against Him. He knew that Adam would produce a race of sinners. But God had a great plan.

**What did God plan?** God planned to send His Son into the world to die for our sins and rise again to be our great Saviour. God planned to save people out of Adam's sinful family and to unite them into one spiritual body called **"the Church."**

"The Church" is people, not a building.

God is calling people out from Adam's race and uniting them into one spiritual body.

When you hear the word "church," you probably think of a building. Perhaps you think of a beautiful building with a tall steeple, a pulpit and pews or chairs inside. But this is not "the church" that God speaks about in His Word. This is only a church building.

**What is "the church"?** The word "church" as it is used in the Bible refers to a group of people, not a building. It is speaking of believers—those who have trusted Christ as their Saviour.

### "The Church" is the Body of Christ.

The church is more than just a vast number of people who have been redeemed by Christ. The Bible says that the Church is "the Body of Christ." God has called out from Adam's sinful race a people for Himself, and He has united them into one spiritual body—the Body of Christ.

The Bible says,  
*"For as we have many members in one body ... So we, being many, are one body in Christ, and every one member's one of another."* Romans 12:4-5  
Christ is the Head of the Body.

**A body must have a head.** Christ Himself is the Head of the Church, which is His Body. Speaking of Christ, the Bible says,  
*"[God] has put all things under His feet, and gave Him to be the Head over all things to the church, which is His body..."* Ephesians 1:22-23

We who have trusted Christ as our Saviour are members of Christ's Body—the Church. He is the Head of the Body and we are all members of the one body of Christ.

**BENITA** came into her house and had a strange feeling. Like someone strange is around.

She started singing.....

There is power mighty in the blood

There is power mighty in the blood

There is power mighty in the blood of Jesus Christ.

There is power mighty in the blood.

She walked around the whole house then went upstairs to her room still singing. No one was at home except the gate keeper and their dog who was barking furiously. She opened the door of her room and behold minister Zina seated on the cushion in her room. Benita was furious.

How dare you? What gut!!! Have you no fear? What are you doing in my room? Don't you know? That light and darkness are two parallel lines? Benita, I mean no harm. Again, you delivered one of our captives.

Point of correction demon, I did not deliver her. My Lord Jesus Christ did. That subtlety won't work with me. You won't inject pride in my spirit.

(Zina stood up) why are you rigid? Loosen up. Listen to me, you need our help. Don't you want to be famous? You have power; people need you; you have the gift to see, and the world will crawl to your door step for solution.

Dear Benita, we will make you famous, and wealthy. Presidents, governors, kings, dignitaries will flock around you. You will still speak in the name of the Lord, you will still tell people to turn from their sins. Join us. The marine is so much interested in your family. Join us.

Shut up demon. Don't call me demon, I am a queen.

Demon, that's what you are. And all power has been bestowed upon me by my Lord Jesus Christ. He has given me the keys of the kingdom (speaking in tongues) that what so ever I bind here on earth, is bound in heaven and what so ever I loose here on earth is loosed in heaven.

Zina, I lose you in this room by the flood of fire from above. Stop it Zina shouted. Fire! Fire!! Fire!!!!

Arrrrrrrrrrghhhhhhhh, Benita, I will deal with you for this. You will suffer for this, and I will make sure it starts from here, your family. I am Queen Zina, the golden fish of the 100th marine region, I WILL SWALLOW YOU.

Big lie, No weapon, formed against me shall prosper and every tongue that riseth against me shall be condemned.

Now demon, in the name of JESUS CHRIST OF NAZARETH, BE GONE.

Just then her mother opened the door. Benita was sweating. The dog stopped barking.

Benny, is there a problem? Hmm, mum, the queen of the marine coast, the one you saw in that revelation was here.

BLOOD OF JESUS CHRIST, WHAT!!!! In this house?

I brought this upon us. I carnally went to that church programme. Lord I ask for mercy said Benita(crying)

No no no dear, don't say that. We were all spiritually careless. God has shown mercy by giving you victory.

As they spoke, Danladi the gate keeper rushed in. MADAM!! MADAM! ACCIDENT!!!ACCIDENT!!! SMALL OGA ACCIDENT.

What, where? Jesus!!! Benita and her mum rushed out. Behold Richard, Benita's only brother and Rev. Johnson's only son, was lying in the pool of his own blood. He had been hit by a vehicle as he tried crossing to get into the house.

At the hospital, Richard was unconscious. He fell with this head. He had a big tear at the back of his head which was stitched.

Pastor Mrs Grace could not be comforted. Benita was in tears. Rev Johnson wasn't left out. He pleaded with the doctor to do everything possible to save his only son.

One week later, he is still unconscious. Benita was by his side all through. She prayed and prayed and prayed. One night, her parents were at the church for their monthly vigil programme. That night, Benita was alone. After so much prayers, she slept.

MINISTER ZINA came into the room. Well, well, well, what do we have here? What are you doing here demon? Replied Benita angrily. I told you, you will need my help. You have been praying for a week now, no change. Would you want your only brother and your father's only son to die? Zina asked Benita.

Benita, just say yes. Join us and your brother will be fine instantly. Listen to me Zina, I serve a God who gives life.

That God created you too and gave me dominion over you. Read my lips demon, I will not join you.

Zina- (angry) then prepare to bury your brother.

That's a lie. Who is he that speaketh and it cometh to pass when the Lord has not spoken? His life is hidden in Christ and Christ in God. Zina, give up the chase. The God I serve will deliver me from the snare of the fowler and from their noisome pestilence. For surly they shall gather, but not by him, whosoever shall gather, shall fall for my sake. No weapon formed against Richard shall prosper and every tongue that riseth in judgement shall be condemned. It is my heritage as a child of God. Zina, you will do nothing. The God of Daniel will deliver me from your plans.

Stubborn fellow, retorted Zina. We shall see.

(Continue on the next page)

Benita started praying again. All through that night she could not sleep.

In the morning, a nurse came to administer medication to Richard. She placed another infusion and injected into it and left. Few minutes later, Richard started swelling. Just then Rev and his wife arrived and met Benita shouting and crying. When Rev's wife saw her son's condition, she fainted.

The nurse had mistakenly administered the wrong injection. Hell was let loose. Rev wasn't finding it funny. He threatened to arrest the nurse. Some elders and church members came. They were raining fire and brim stone. There was chaos.

Only Benita understood what was going on. Amidst her pain, she took it upon herself to talk to them.

Brethren, this is not the time to sue anybody. It is time to war with prayers. The devil according to God's word is working like a roaring lion seeking whom to devour. We need to pray. As she spoke, Rev noticed that RICHARD HAD STOPPED BREATHING.

The doctor walked into the ward and examined his pulse and shock his head. He reached out for the bed cloth and covered him. We lost him. I'm very sorry Reverend. Rev screamed. Jessssssuuusssss. No Jesus, you can't fail me. My only son can't die. Members and elders present could not hold back their tears. They helped to console reverend.

Benita stood by her brother. Tears rolled down her face. She shouted -Nooooooooo, Jesus nooooooooo. Richard is not dead. (Crying) since I was born, and now I'm getting old, I have never seen the righteous forsaken or the children of the living God beg for bread. (She ran outside and went on her knees facing the sun.) - Oh Lord God of heaven, remember. (Crying) my father and my God remember. How my parents have walked before you, in truth and with a perfect heart. Remember now oh Lord, my service in your kingdom. Remember now oh Lord, your promises to my family.

You said you will not suffer your holy one to see corruption. Oh Lord God (crying) shall the dead praise you? Richard is the keyboardist in your church, oh Lord how then can he play you those sweet melodies that arouses the magnitude of your greatness.

Heavenly father, they that wait upon you, are like mount Zion that cannot be moved. (She opened her eyes and turned around and saw MINISTER ZINA) "For the last time Benita, accept my proposal and your brother will live.

"You demon from the pit of hell. If my God won't save me then so be it. As for me and my house, we will serve the living God. My hope is built on nothing else but Jesus blood and righteousness, I dare not trust the vainest thing but wholly lean on Jesus name. On Christ, the solid rock I stand. All other grounds is sinking sand. My faith looks up to him my lamb of Calvary, saviour divine. He will not suffer my foot to be moved. He who keeps me will not slumber. He will fight for me and I will hold my peace. (Speaking in tongues)

She began to worship.....

Onishe iyanu!!!!

You are the God of awesome wonders

I've tasted of your power

Onishe iyanu

You have shown me so much mercy much more than I deserve.

The words you speak

Turn things around

Your out stretched arm, has lifted me

You took away, the chains and colts

That held me bound.

(Speaking in tongues)

Olorun agbaye ooooooooooooo

You are mighty

As she worshipped, everyone worshipped with her. They were all outside when the unusual happened. RICHARD WALKED OUT OF THE WARD BY HIMSELF TO JOIN THEM OUTSIDE.

PRAISE YE THE LORD

HE IS A MAN OF WAR

Great thanksgiving was held in God's household church. It was double celebration. Pastor Mrs Grace was revived and Richard came back to life.

Members of God's household sure knows how to appreciate God. Songs of praise and worship was rendered unto God. Substance wasn't left out too. It was indeed a great service.

That night, in reverend Johnson's home, at about 8:55 pm, they were all sited in the sitting room when they heard a knock on their door. Usually, Danladi calls with the inter-call to tell them someone's there to see them. But not this time.

The knock kept coming. (TO BE CONTINUED NEXT WEEK)

The beginning of the ministry of Christ

# LAST WORD

Have the opinions of other people caused you to stop pursuing your dreams? There will always be critics and naysayers in life. It's not what's said about you that affects your life, but what you say and believe about yourself.

One of the most important things you can learn is that other people don't have to believe in you in order for your dreams to come to pass. Other people don't set the limits for your life - you do.

In Romans 3:3, the Apostle Paul is saying, "It doesn't matter if other people don't believe. Their unbelief is not going to keep me from believing in my dreams."

When GOD puts a promise in your heart, it's not up to other people to bring it to pass, it's up to you! You don't need everyone to approve you, affirm you or validate you. You have to follow the voice of GOD for yourself and allow Him to order your steps.

Remember, GOD sees the hidden treasures inside you. He wants to bring those treasures out and make your dreams a reality!

As you get rid of old, defeated thoughts and replace them with what GOD says about you, you will remove the limits and live the abundant life GOD has in store for you

A lady was very sick and asked her husband: "Honey, how long will it take you to marry another lady in case I die?"

The husband said "Honestly, my love, I can only bring another lady after your grave is completely dry"

The lady died and the husband kept on visiting her graveyard on a daily basis for 15 years and the grave looked wet always.

One evening as he visited the graveyard, he met his brother in-law at the grave with an empty bucket and asked "Hey James what are you doing here?" Then his brother in-law was like "I am here to fulfil my only sister's wish, she said I should be coming here daily to wet her grave"

The man fainted.

## He'll Send You Someone

Some of us are such go-getters; when God puts something on our hearts, we are willing to give up everything else, start completely over and essentially knock down any door that's in our way to move forward.

But the God-calling on your life is IMPOSSIBLE with just you. You see, it's so important to remember that God doesn't just tell us to do something; He guides us through it. And that includes Him getting us in the right place at the right time and allowing us to bump into the people we need. God will send someone in your path at exactly the right moment, and from then on, nothing will be the same!

So trust your heavenly Father and His perfect plan. He has already ordained each of your steps and scheduled each divine appointment. All you have to do is be sensitive to the voice of the Holy Spirit in your life.

When GOD wanted to create the fish, HE spoke to the sea,  
When GOD wanted to create the trees, HE spoke to the earth  
But when GOD wanted to create Man, HE spoke to Himself.  
Then GOD said,  
"Let US make man in Our image, According to Our likeness.

If you take a fish out of the water it will die  
And when you take a tree off the ground it will also die. Similarly, when Man is disconnected from GOD he dies.  
GOD is our natural environment. We were created to live in HIS presence. We must be connected to HIM because only in HIM Is there Life.
