**A Passion to Obey**

**Romans 6:16-23**

A passion to obey God doesn't come naturally. Salvation may spark love and a desire to please Him, but a passionate fire is built slowly from the timbers of spiritual knowledge, faith, and devotion.

Obedience usually begins with a fear of the consequences of disobeying. That is, newer believers can at least enjoy the safety of avoiding repercussions until they develop better reasons to follow God.

Thankfully, as we mature and build a scriptural foundation, fear is replaced by both recognition of God's sovereignty and submission to His wisdom.

Over time, following the Lord becomes less about consequences for disobeying and more about blessings for obeying. Once we taste His goodness, we learn that obedience and God's best are natural partners—good derives from following divine commands, while suffering results when we demand our own way.

This irrevocable principle plays out in the Bible as well as in day-to-day life, and the more we observe it, the more we realize the Lord's will is the wisest choice.

All the promised blessings in the world cannot make a believer follow God into some frightening places. But that's where love for our Father comes in, as it compels us toward obedience no matter what is at

**HAPPY MOTHERS DAY**

**Woman means.**

- W- Wonderful mother.
- O- Outstanding friend.
- M- Marvelous daughter.
- A- Adorable sister.
- N- Nicest gift to men from GOD.

We are in constant battle, and grace is just as much our haven of rest as it is our resolve to fight.

Grace cheers for you, roots for you, and receives you again and again: with a direction and momentum that says you're better than this.

Grace will confront the sin like a surgeon's tool and work through it to the messy end.

Grace does not excuse or absolve sin, but acknowledges the reality of our great desperate need as sinners. It's not merely comfort, but healing.

Grace is a cross, a substitution, an atonement, a victory over the grave — a handful of gritty truths wrapped in flesh that breathed the air and dirt of this earth.

It's a beautiful, wonderful, furious, unchanging, heart-stopping love that cannot be shaken no matter what.

Jesus: he is our rest, our fight.

## \*FOUR TYPES OF WOMEN WHO CAN'T MAINTAIN A MARRIAGE\*

### 1: \*The Most Beautiful Women\*

- It takes the Holy Spirit only to make a beautiful woman to be in a marriage.
- They are on high demand.
- Many of the beautiful ladies are still single
- They use their beauty as a capital for money making.

### 2: \*The Most Educated Women\*

- for a woman having a degree, masters, PhD; to stay in a marriage, is by the grace of God.
- Their qualifications make them independent.
- Visit offices, companies and you'll see that most high ranked and rich women are single or divorced.

### 3: \*WOMEN FROM RICH FAMILIES\*

- Women raised under rich families find it difficult to get married because they want same environment they grew up with in a marriage.
- They want no one to advise them, especially men who are not so well to do.

### 4: \*The Most Anointed Women of God\*

- Most women with the calling of God have no husbands or are divorced
- No time to do house works
- No time to care for their husbands
- Their husbands can't advise them because they only listen to the Holy Spirit.
- \*Speaking in tongues\* will never make you a wife, only a submissive woman will stay in a marriage and not the beauty and the like.

The quickest way to destroy marriage is to harbour revenge, embrace bitterness, and entertain resentment.

Marriage thrives in an environment of love, forgiveness, compassion, mercy, and grace. Marriage cannot survive when husband and wife are unwilling to apologize when they are wrong, and unwilling to forgive and show mercy when they are wronged.

There is no better place to practice forgiveness, mercy, grace, compassion and kindness than in marriage. The Bible says, "Be kind and compassionate to one another, forgiving each other, just as in Christ God forgave you."

(Ephesians 4:32)

How can we love, forgive and be compassionate to our neighbour when we fail to love, forgive, and be compassionate at home?

**EVEN if your HUSBAND have LOST his JOB, don't ALLOW Satan to USE you to LOSE his RESPECT in the HOME. Be SUBMISSIVE.**

**TOPIC:** GOD REVEALED HIMSELF TO ISRAEL AS THE ONLY TRUE GOD IX

**TEXT:** Exodus 20:1-5, 23:20-25:32-33, Deuteronomy 5:6-10

**MEMORY VERSE:** Deuteronomy 7:9-11 KJVS

[9] Know therefore that the Lord thy God, he is God, the faithful God, which kept covenant and mercy with them that love him and keep his commandments to a thousand generations; [10] And repayeth them that hate him to their face, to destroy them: he will not be slack to him that hateth him, he will repay him to his face. [11] Thou shalt therefore keep the commandments, and the statutes, and the judgments, which I command thee this day, to do them.

## **INTRODUCTION:**

As soon as the children of Israel were liberated from Egypt, God told them why He did all the signs in Egypt and to all Egyptians and admonished them to obey and keep His commandments, thereby they shall be a peculiar treasure, a kingdom of priests and a holy nation. God, therefore, came down unto them with His commandments.

## **LESSON**

**GOD REVEALED HIMSELF TO ISRAEL IN THE WILDERNESS AND WARNED THEM AGAINST IDOL WORSHIPPING.**

### **THE COMMANDMENTS**

The commandments are ten in number but for this lesson, our focus will be the first two commandments.

- "... thou shall have no other gods before me" (Exodus 20:2-3). According to II Kings 17:27-33 and Zephaniah 1:2-6, the Israelites were not able to keep God's commandments over some time. Why? Discuss.
- Can the Church of today say, "For I have kept the way of the Lord and have not wickedly departed from my God...?" (II Samuel 22:22-24)? Discuss.
- Can you as a child of God say with all honesty the same? Yes/No. Explain.
- "Thou shall not make unto thee ..." (Exodus 20:4-5). According to Psalms 106:28-29, the children of Israel were not able to keep the commandment and they suffer the consequences but the Church of today is under grace not under the law or commandments. Which dispensation is easier and better, law or grace and why? Discuss.
- "Know therefore that the Lord thy God he is God, the faithful God ..." (Deuteronomy 7:9-20). Can we justify God for making all His promises conditional? Discuss.
- According to Exodus 23:20-23, 1. What three things must children of Israel do to the Angel of God? 2. What three things will the Angel of God who went before them do?
- According to Exodus 23:25-28, what ten things did God promise to do if the children of Israel obeyed the Angel of God who went before them, in serving the Lord their God? Exodus 22:20, 23:13.
- In Exodus 23:32-33, what must the children of Israel not do and what would happen if they do so?
- In Deuteronomy 7:9-11, what are the attributes of God that manifested His faithfulness? Mention at least two.
- What must we do to benefit from the faithfulness of God according to that passage?

## **CONCLUSION:**

"Thou shall therefore keep the commandments and the statutes and judgements which I command thee this day to do them. Thou shall be blessed above all people, there shall not be male or female barren among you or among your cattles." (Deuteronomy 7:11, 14). Amen.

**LET

## TURN BACK TO GOD

### 10 Rules To Make Your Marriage Stronger

#### **End the Day With a Clean Slate**

The Bible says in Ephesians 4:26 to not let the sun go down while you are still angry. **Make it a goal to clear the air with your spouse on a daily basis.** Fortunately, most days there will not be a need to clean the slate. For those days where tensions are high make an agreement with one another that you will work out your differences before going to bed.

#### **Not 50-50**

The Bible says that it is a man's responsibility to love (Ephesians 5:25) and it is a woman's responsibility to submit (Ephesians 5:22). If the husband will commit to love then it makes it much easier for the wife to submit. If the wife will submit, the husband will have less trouble loving her. The beautiful thing about this is that God does not say, "A man should love his wife if she will submit." Or, "a woman should submit to her husband if he loves her." **Each spouse's responsibility is independent of what the other one does.** When a couple looks at marriage as a 50-50 agreement then they will always play off of how the other treats them. However, when they see the marriage as their sole responsibility, then they will have a much stronger and happier marriage.

#### **Keep Personal Problems Personal**

Don't share your marriage problems with your co-workers. If you are seeing a marriage counsellor then it is important to be open and honest. But when chatting with your friends at the water cooler or the hair salon, you need to guard your negative words about your spouse. Long after the problem is resolved your friends will remember. They weren't part of the healing process and therefore they won't know how to forget.

#### **Live Within Your Means**

One of the major causes of divorce is money problems. Live with the money you have. Even though you think that expensive gift (that you can't afford) will help endear your spouse to you, it more often than not will drive a wedge of insecurity in your relationship.

#### **Divorce is Not an Option**

Never enter a marriage with the thought that you can get divorced if things don't work out. Regardless of your interpretation of the biblical passages dealing with divorce, you should make it a personal commitment to your spouse and to God that you will not consider divorce as an option. **Enter the marriage with the understanding that you are making a solemn vow before God to your spouse that you will stay together until death separates you.**

#### **Guard Your Heart**

Protect your eyes, ears and mind. Men, you need to learn to look away when your eyes are drawn to other women in an inappropriate way. Ladies, you may hear sweeter words from your co-worker than you do from your own husband. Remember to whom you made a promise to love—even when times are difficult.

#### **Forget the Past**

Isn't it amazing how, all of a sudden, you can remember things from the past that you thought were forgotten when an argument arises between you and your spouse? Forget the wrong that he or she has done to you in the past and focus on the present and future.

#### **Compliment in Word and Action**

The word "compliment" can mean a couple of different things. First it can mean to say nice things to one another. It can also mean to do something that helps the other to be stronger or look better in the eyes of others. **Both senses of the word compliment are important in a marriage.**

#### **Love One Another**

Make a decision to love one another as much as you can. Remember that he/she is your partner whom God gifted for your entire life on earth. God picked him/her just for you from among all the other faces, to become a part of you in mind and body.

#### **Put God First**

Most people who want to protect their marriage will say that their spouse is more important than their job. Unfortunately, it seems that people who are in ministry (pastors, missionaries, etc.) will say that in a list of priorities their wife is sometimes at the top of the list and sometimes their ministry is. If you put God at the top of your priority list, He will show you where your emphasis should be at any given time. **If God is truly first, then the other priorities will fall into place.**

Ladies, please cover up properly, you don't know who is looking from afar.

We usually pray,

Our Father who art in Heaven.....

Hallowed be thy name....

\*\*"Lead us not into temptation "....\*\*

I think we should pray to God and be careful not to lead others into temptation also. If temptation is not good for us, we should not lead others into it.

**\*Some people blamed Bathsheba, some blamed David, why didn't he go to war?\***

**\*But come to think of it, what about Uriah?\***

**\*Yes Uriah, why would he bring his wife to an apartment whose bathroom has no roof?\***

Some Uriah's are parents, you will wonder whether some parents didn't see their children before leaving home. Some friends are the ones who talk them into buying those clothes that leave their bodies uncovered.

If you fall into the category of Uriah. Watch it!

Be responsible, Put a roof on your bathroom!

So your Bathsheba can have a harmless bath.

Parents..... Don't allow the world teach your children how to dress up....don't leave your bathroom uncovered! '

You are a Christian and a model of Christ. Your body is d temple of the Holy Spirit. You have been bought with a price.

Husbands! Please put your wives under check. We know she is your wife, she can wear anything because you like it that way..... But don't raise eye brow if she is treated like a prostitute.

Under Uriah's nose, Bathsheba got pregnant with another man's child.

Keep a roof over your bathroom. You have no idea if there is a man who is not at war or work strolling lazily around.

Just because a woman's sensitive parts was revealed to David, he lost control of his life & things never remained d same.

One would have thought Bathsheba's bath was a harmless one but look at the consequence:-

=David killed Uriah.

= He was cursed.

= Bathsheba lost her baby.

=Ammon slept with Tamar.

= Absalom overthrew David and slept with his father's wives.

=War in David's house!

**Please, stop tempting others in the name of fashion!**

**Stop showing everybody your breast and cleavage.**

**Stop wearing expensive rags in the name of fashion.**

**\*Some men are running away from Bathsheba yet they have her pictures, wearing bikini on their phones\***

**\*Brothers, what do you have on your phones?\***

**\*Pictures of naked women?\***

You call them celebrities, I pray they don't celebrate u to hell.

Stop watching pornographic movies. It is addictive.

Some people are dealing with masturbation, they are sincerely trying to come out of it, some are walking away from fornication, don't drag them back there.

**\*Dear sister be your brother's Keeper.\***

**\*Dear brother, cover the bathroom roof!\***

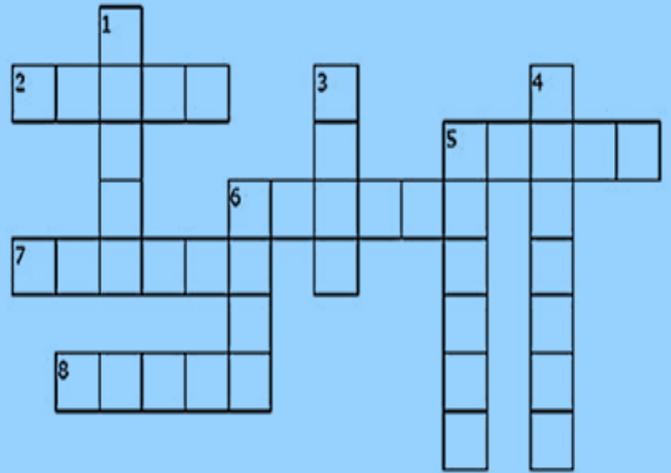

**\*Resist the devil and he will flee!!!\***

## READERS' DIGEST.

A true life story:

**\*Daughter\*:** Mummy, please, help me manage this 20k, when I get to Lagos I will send something again. (And she gave her mother 20k and put another 10k inside envelope and drop it under the pillow on the bed).

**\*Mother\*:** Thank you my daughter, but what about the one you put under the pillow on the bed?

**\*Daughter\*:** I want to give that to my father

**\*Mother\*:** How much is that?

**\*Daughter\*:** N10, 000.00 mummy

**\*Mother\*:** Haa, is that not too much for your father. Do you think he needs money, N5, 000.00 is okay for him.

**\*Daughter\*:** Mummy are you sure 5k is okay for him?

**\*Mother\*:** Yes. After all he just collected his N20, 000.00 pension allowance on Friday.

**\*Daughter\*:** Thank you for the advice mummy (She then removed 5k from the money and put it back into her bag.) Carry the envelope and she get out of her mother's room and went to meet her father in the sitting room.

**\*Daughter\*:** Daddy, I am going back to Lagos. Please, take this token from me Sir.

**\*Father\*:** How much is that? (The father asked without collecting the money from her.

**\*Daughter\*:** N5, 000.00 Daddy. She replied.

**\*Father\*:** Thank you my daughter, please, go and add it to the money you gave to your mother. (Though the father was not aware of the amount she gave to her mother) Don't you know that I was about to enter the room when your mother was advising you that N10,000.00 is too much for me.

So N10,000.00 is too much for me now but it was not too much for me when I was single handedly responsible for your school fees from your elementary school to your second degree and paying your hostel fee in the secondary school and your pocket money throughout your university education.

Please, I don't need money as she rightly said.

**\*Daughter\*:** Crying, and went back to meet her mother in the room. Mummy, you see what you have caused now, after I have given you N20, 000.00, you said N10, 000.00 is too much for my father.

**\*MOTHERS, ALLOW AND ADVISE YOUR CHILDREN TO CARE AND LOVE THEIR FATHERS TOO\*.**

## OVERCOMERS

### FACTS FAITH Feelings

**FACTS! FAITH! FEELINGS!** These three things are vital in our lives. It is important that we know something about each of them, but it is even more important that we get them in the right order and keep them there.

Most people try to put feelings first, but that's like trying to build the roof of a house before laying the foundation. It just won't work that way!

The right order is facts, faith and then feelings. Facts form the foundation; faith rests upon facts; and feelings come last.

**Facts are true anytime, anywhere.**

### FACTS

**Let's look at these, one at a time.** First, **facts.** What is a fact? A fact is something that is true. For example, two plus two equals four. This is a simple mathematical fact. It is true in the United States, in Russia, or anywhere else in the world. It was true thousands of years ago, and it will still be true thousands of years from now. Your believing it does not make it true. It is true even if no one in the world believes it. A fact is true in and out of itself, regardless of faith or feelings. If it is not true, it is not a fact!

**Faith's value depends upon its object.**

### FAITH

**Now let's think about faith.** Faith is so important that the Bible says, "...without faith it is impossible to please God..." (Hebrews 11:6) But what is faith? Faith is belief in something. Notice that faith must have an object. In one respect, faith is like eyesight—it must have an object. The way you know you have eyesight is that you see something. True value depends upon its object, not upon itself. It is not the amount of faith that is important but the worthiness of the object.

**Let me illustrate.** Suppose you are walking through the woods, and you come to a stream. A single plank spans the stream. As you look at the plank, you must decide if you will risk walking across it. You notice that apparently others have crossed safely, so you decide to trust it. The moment you step out on the plank, you are exercising faith.

This is fine, but whether you get across safely or not now depends upon the plank. You may have a lot of faith, but if the plank is rotten, you will land in the water! On the other hand, your faith may not be so great, but if you have a good plank under you, you will get across safely.

From this, we see that the real value of faith depends upon its object. This is why faith must rest on facts.

# LAST WORD

YOU ARE NOT LUCKY  
*You are blessed*

Everything you have is because of God's grace and favor. Take a moment and think about the blessings in your life. Even during tough times, we have so much to be thankful for. Let's talk about our blessings more than we talk about our problems.

## \*TO THE REAL QUEENS\*

The real Queens devoid of controversy and criminal records. Against all odds, you have resolved to move ahead and put on your Crowns. In spite of the uncharitable atmosphere, you can still keep your head and raise shoulders high on the scale of integrity. Today and always, I salute your courage, your character, nature and brilliance. The world at large admires your determination and doggedness. Whether as mothers or as career ladies, we acknowledge your impact and grateful to you for the values added in all works of life. Pick up your Crown each day and fix it. Don't let anything or anyone pull you down. Tell anyone who cares you're not competing with anyone. You're what the Lord wants you to be. Shake off any disappointment or regret and cling unto your God. Forge ahead in faith and gait. I love you all.

☺Happy Mothers' Day

## Life isn't fair.

No matter what life throws your way, no matter how unfair it may seem, *refuse to play the victim*. Refuse to be ruled by fear, pessimism, and negativity. *Refuse to quit*.

Be a warrior and work through whatever life throws your way with courage, love, and positivity. And continually push forward.

*Because you are a survivor of the unfairness of life*. You are stronger than you think. And you are capable of achieving far more than you believe.

One of the most powerful art pieces from Burning Man: A sculpture of two adults after a disagreement, sitting with their backs to each other. Yet, the inner child in both of them simply wants to connect. Age has many beautiful gifts but one we could live without is the pride and resentment we hold onto when we have conflicts with others. ## LAUGHTER'S THE BEST

Children of nowadays don't know what we went through while watching Nigeria vs England on Black and White television. If you increase the brightness, England players will disappear. If you reduce the brightness, Nigerian players will disappear. If the wind blows the antenna, both teams disappear.

WHAT SHALL IT PROFIT A WOMAN, TO BUY ALL THE BRAZILIAN HAIR IN THE WORLD BUT LOOSE HER HUSBAND TO A GIRL ON LOW CUT ?

How can someone who is marrying a second wife do "Bachelor's Eve"?

God is the owner of the rain or showers and sends them in due season. The conventional rain falls on both the righteous and unrighteous. Same with the sun. However, one thing unique about God's showers of blessings is that it only falls on the righteous. The reason is because God is holy and has zero tolerance for wickedness and unrighteousness. Though He loves sinners, He hates sin and desires that they change and acknowledge Him to have a flourishing relationship with Him which will eventually open the doors of His showers unto them. Anyone who lives in sin will not experience God's showers of blessings. If therefore you are serious about partaking in God's showers of blessings this month and beyond, you need to make a U-turn from sin and unrighteousness.

Begin to reconcile with God through genuine salvation in Christ Jesus. Make Him your Lord and personal Saviour and all things shall be added onto you."
