You Are Closer Than You Think.

2nd May 2021

PSALM 5: For You, O LORD, will bless the righteous. With favour you will surround him as with a shield.

Are you afflicted? Are you intimidated by this misguided society? God will fight your battles. Yes! "I know that the LORD will maintain the cause of the afflicted, And justice for the poor. Surely the righteous shall give thanks to Your name; the upright shall dwell in Your presence."*

Lord, thank You for the goodness in my life. When I wake up each morning, I praise Your name! You have given me life that is filled with beauty, and the breath in my lungs is a gift from You. I pray that You will fill my day with love and sustenance, may I remember at the end of each of my days, to thank You for all that has been placed in my life ,in Jesus' precious name I pray.Amen.

Something wonderful is right around the corner. Trust and be patient. Everything that is meant to be, will come in perfect time. **Have a beautiful day.**

Psalm 118: 24 says, "This is the day which the Lord has made, we will rejoice and be glad in it

"Let us be glad and rejoice over each day. It is the Lord who has made and planned it for us. Each day is a rich and precious gift from God, with new grace and opportunities.

Beloved, as a believer, we must learn to number our days and live today in righteousness as if there will be no tomorrow. Let's show goodness and love to each other.

I pray that your lamp of glory shall burn brighter. The loving kindness of God will speak for you and your family, Amen. Have a glorious thanksgiving.

Accepting God's Solution

2 Chronicles 20:14-25

When we pray about a matter that is very important to us, it's easy to begin telling the Lord how to answer our request. We've all done this, haven't we? We start out asking God for help, but as our emotions enter in, we become more passionate about explaining what we want Him to do about it.

God promises to answer prayer (Mark 11:24), but sometimes His answers don't satisfy us. Oftentimes we want relief from pain and difficulty rather than an extra measure of grace to endure in a manner that glorifies God.

King Jehoshaphat may have expected the Lord to answer his prayer by giving the army supernatural strength to win the battle, but God's solution was entirely unexpected. His method was to send the choir out singing praises. Then God took care of the enemy without any help from Judah's soldiers.

Instead of dictating a solution, Jehoshaphat trusted God to answer the prayer as He saw fit. And we should do likewise.

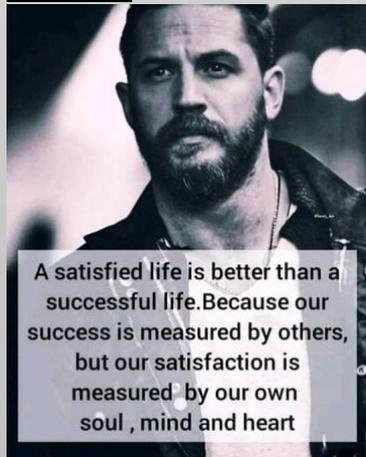

Prayer is an opportunity to bring our concerns to the Lord and trust that He will answer in a way that brings glory to Him, not to us.

It's with utmost thanksgiving and heartfelt prayers that I worship God for a beautiful day and month.

I pray that God will lead you and your family to the end of this month and year gloriously.

And Jesus by the mercies of His resurrection power and impeccable blood will open doors of newness, joy, peace, prosperity, longevity and unforeseeable miracles for you and yours this month and always in Jesus Name, Amen. Happy new month

A satisfied life is better than a successful life. Because our success is measured by others, but our satisfaction is measured by our own soul, mind and heart

This is a month of all round blessings both when you go out and comes in. Therefore as vessel of honour in the hand of God I prophesy that the blessings that had no limit shall locate you as you go out and come in this month. May the blessings of the father cause you to prevail where others travail. May every grace upon my calling begin to find raw expression in all areas of your life. I pray that the Spirit of Faith causes you to prevail in all areas of your life in the precious name of Jesus. Be blessed, you and all that pertains to you in Jesus precious name. Happy new month. TOPIC: GOD REVEALED HIMSELF TO ISRAEL AS THE ONLY TRUE GOD V

TEXT: Genesis 28:10-22

MEMORY VERSE: **Genesis 28:20-21 KJVS**

[20] And Jacob vowed a vow, saying, If God will be with me, and will keep me in this way that I go, and will give me bread to eat, and raiment to put on, [21] So that I come again to my father's house in peace; then shall the Lord be my God:

INTRODUCTION: "And behold, the Lord stood above it and said I am the Lord God of Abraham thy father and the God of Isaac, the land whereon thou liest to thee will I give it and to thy seed... (Genesis 28:13-16). That was how God introduced Himself to Jacob and the Lord God also became the God of Jacob (Israel).

LESSON

GOD REVEALED HIMSELF TO JACOB (ISRAEL) AS THE ONLY TRUE GOD

- "And Isaac called Jacob and blessed him..." (Gen. 28:1-5). According to verse seven (7), Jacob's obedience to his parents' instruction not to marry the daughters of Canaan but to go to Padanaram unto Laban to take a wife was responsible for God's visitation. True or False?
- Compare God's blessing of Abraham in Genesis 17:6-8 and God's blessing of Isaac in Genesis 26:2-4 with God's blessing of Jacob in Genesis 28:13-15. What additional blessings were added to that of his fathers and why?
- Jacob vowed a vow according to Genesis 26:18-22, mention his five (5) expectations from God and his three (3) promises to God?
- According to Genesis 31:19:30-35 and Genesis 35:16-20, Rachael's stealing of her father's idol and her husband's curse was responsible for her untimely death? Yes or No, explain.
- In Genesis 35:1-, Jacob was aware that many of his household had strange gods including his wife. All these would have hinder his fellowship and true worship at Bethel. Yes/No, explain.
- According to Genesis 35:6-15, after Jacob has sanctified himself and all his household by collecting and hidden all strange gods in their possession, God again appeared unto him to bless him and also changed his name to Israel.
 1. What spiritual lesson can you learn from these?
 2. What is the meaning of Jacob and Israel? (Gen. 32:27-28, 35:10).
 3. According to Genesis 28:22, who taught Jacob tithing?

CONCLUSION:

God knew that Israel will not only go to Padanaram but also to Egypt, that was why He promised to be with him wherever he went and not to leave him until he has done that which He promised him (Genesis 28:15, 46:1-6). May the Lord help us to wait and be faithful to Him till He fulfils all His promises to us, our family and our ministry in Jesus name? Amen.

Real Love defies all reasons. When you truly love someone, you do not look for reasons, you see beyond reasons

Ritual: Mother Kills Her Son

How many mothers can be so courageous to prepare a good dish for their son and then garnish it with poison? Only a courageous Etsako East woman will.

The quest for quick money is allegedly said to be the reason behind why a young man from one of the many villages of Okpella kingdom followed his mother to the farm, forced her to a very hot sex. The reason for the Rape Sex is said to be able to soak an handkerchief into mixed semen for money ritual.

According to the mother, "I didn't have to argue with him since he threatened to kill me if I did or even attempted to reveal the act to anybody. So I made up my mind that such abominable, taboo and animalistic act will not go unpunished". When I got home, I behaved as if nothing happened but made him a very good dish that he always liked, mixed with local Otapiapia poison. I warned the other children strictly not to dare the food I reserved for him. "He ate peacefully apparently for the joy of huge incoming cash and then died thereafter".

The sudden death of the boy prompted the intervention of the police and the mother was said to have told the police in clear terms that she killed the boy. "There is no reason to keep you waiting and investigating, I killed the boy, do you people force your mothers to sex? threatened to kill her if she dares to talk, can you attempt to make money by sleeping with your mother"? All were shocked at the revelations of the Raped mother. My son had sex with me in the farm and I had to prepare food for him and then add poison to kill him. Yes, I did she concluded.

Public opinion they say favours the act of the mother for the courage she summoned to get that animal son who wanted to sacrifice the life of his mother for ritual money.

WHAT IS YOUR VIEW; Is She Right or Wrong?

END PURPOSE OF CHRISTIAN LIFE.

Dear friends, the tail end of Christian creed, "The resurrection of the dead and everlasting life" is the end purpose of Christian life. It is all about dying to sin, that is overcoming the challenges of this life with divine grace, and rising to a new life, everlasting life in God, typified in the life, death and resurrection of Jesus Christ into everlasting glory. Anything short of that is simply a waste. Helloooo, to which end purpose is your faith, hope and love driving at? Does it end at having the good things of this world or geared towards the spiritual in the imitation of Christ???

THE FOUNTAIN YOUTHS OVERCOMERS

MY PARENTS are **BUGGING ME!**

The Bible says, "Let this mind be in you, which was also in Christ Jesus..." (Philippians 2:5)
Are you willing to give up your "rights" for Jesus' sake? Are you willing to be treated as our Lord was? Are you willing to submit cheerfully to those God has placed in authority over you?

"But, man, if I do that, that will be the end of me."

That's right. The Lord knows that the source of all your trouble is Self, and He means for Self to die. Because He desires the best for you, He will arrange for some "crosses" to come your way every day.

What will you do? You must choose between Christ and Self. Either Christ will be on the throne of your heart, ruling your life... or Self will be on the throne causing nothing but trouble.

"What will it be like when Christ is ruling in my heart?"

You will know a deep joy and peace. Things won't upset you so easily. You will realize that Christ loves you and that He knows all about your situation. Whatever He wants will be all right with you. The Bible says, "Great peace have they who love your law, and nothing can make them stumble." (Psalm 119:165)

You must **CHOOSE!**

If Christ is ruling in your life, you will respect authority. You will have a spirit of obedience.

That's the way Christ lived when He was here on earth. He obeyed His parents. He taught men to submit to civil authority. He paid taxes—He said, "Give to Caesar what is Caesar's, and to God what is God's." (Matt 22:21)
Our Lord never took part in rebellion; He respected authority.

For another thing, you will have a new purpose in life. Christ will be your new "centre" instead of Self. Instead of wanting to see yourself exalted and honoured, you will want above all things to please Christ. You will be more interested in what He thinks of you than in what others think of you.

READERS' DIGEST. THIS INSPIRED ME

I left the hospital one night at about 1:45am. We had a rape case that left the little girl bleeding seriously and I didn't know how I could jump into my car and drive home without any certainty to that little girl's life. I had made Mami a promise to be back home early and I was looking for the right words to compose my apology. By 1:30, the Doctor knocked on my office door. I had dozed off. She is stable now, he said, reassuringly. Thank you, was the only words I could find because having to see your child in that condition is a lifetime trauma no one prays for. I got up, picked my car keys and decided to go home.

At 12, Mami had called to inform me that if it will run late, I should stay back in the hospital. I couldn't, I needed to get home. 10 minutes away from the hospital, I was on a lonely road alone. The only light that flashed towards my car were security guards along the junction of every street as I drove past. What I saw in split seconds were tires thrown on my path. Like 5 tires. I quickly applied brakes but didn't wind down. There were over 12 boys they surrounded my car, some having guns and others, machetes. One of them released a bullet into the air to warn me they weren't joking. Still I remained calm in the car even as they tried to force my door open. Finally the leader shot one of my tires. Reluctantly I opened my door but sat inside because I had recognized one of them. Unfortunately, he was the one they ordered to bring me out of the car and he had a machete in his hand as he approached me. I named him Daniel because he was in prison for 8 months for cult activities but he was serving for a crime his friend committed. I paid his fine at the court and took him out when he narrated his story to me. He promised he was going to live a good life and abandon his old ways

Sir! He exclaimed when he saw it was me. This na father, this na father, he kept shouting, clear road, he said as he walked back to his leader. Immediately, all the guys who were pointing guns and the ones holding machetes withdrew back. I came out from the car and greeted the leader. Daniel said something to him inaudibly. Father, he approached me, you get spare tire? I nodded. Abeg open for me make I change this tire. He took out the spare and the Jack then started taking out the tire. Goat no dey chop rope wey dem use drag am to wia grass dey, He was making certain proverbs as he took out the tire and fixed the spare. The leader sent Daniel with 2 other boys to take me home safely. Somewhere along, I parked and gave them money to go home because I didn't want them to know my house.

Hear me! Sometimes you grumble in your heart because for some strange reasons, people always come to you for help and you're wondering why you... In some of those things you do, you have unknowingly paid for your freedom on the day the enemy will lay an ambush for you. All these beautiful dreams I have would have ended that night had the Lord not positioned Daniel there to recognize me. My children come to my room every morning to hug me before they brush their teeth.

All that would have ended that night but God remembered one incident that I paid for my freedom and He freed me. Never be tired of doing good. May the rest of your week be blessed

TURN BACK TO GOD

Questions From Jesus Christ

Let's take a look at some of the important questions asked by our Lord Jesus Christ. These are the questions that HE wants answers to.

1. How many loaves do you have? (Matthew 15:34)

Loaf or bread represents my Word. You cannot survive with the earthly bread alone, you need ME, the bread that came down to give you eternal life. I am the Word made flesh. MY WORD is eternal. Strive therefore to LEARN MY WORD. How many scriptures do you know by-heart? Can you call to mind and recite at least a couple of them in a crisis? Do you practice living by MY WORD? Just as you satisfy your hunger better by having more loaves, the more the number of scriptures in your heart, the better your life.

2. Who do people say the Son of Man is? (Matthew 16:13)

At Baptism you were given a responsibility and that was to bear witness to me. If today your friends and those close to you don't experience my love through you, there is something seriously wrong with you and your life. What you show them is what they think I am. Your life as a Christian is so very ordinary that people around you don't see the need for change. Sometimes the kind of witness you bear, gives them the feeling that they are better off being what they are. Isn't it time your life became a testimony?

3. But who do you say that I am? (Matthew 16:15)

Am I a doctor who cures you, or a policeman who ensures law and order in your life, or a Judge who grants you justice? Am I a miracle man who works miracles? Seriously what is your answer? Who am I to you and what is the place that you have given me in your life? If you have grown in your relationship with me, you will declare what my disciple Thomas once declared – My Lord and My God.

4. Woman where are they, has no one condemned you? (John 8:10)

After all your sins and the damage that you have done to your chance of spending eternity with me, in my infinite mercy I am giving you another opportunity to start life afresh. I forgive you and urge you to set things right because I may not give you another chance.

5. Do you want to be well? (John 5:6)

You are physically, emotionally, intellectually and spiritually ill. While a doctor may be able to heal you physically and a counsellor or psychologist may heal you emotionally or intellectually, only my Word can heal you completely. Yes only my Word can heal you physically, emotionally, intellectually and spiritually. Establish a relationship with me and witness the change in your life.

6. Has none but this foreigner returned to give thanks to God? (Luke 17:18)

When I work a miracle for non-Christians they respond by thanking me and dedicating their life to me. As a Catholic how have you responded to the many graces and blessings that I have showered on you? I am pained to see you living a life of ingratitude and recklessness.

7. If even the smallest things are beyond your control, why are you anxious about the rest (Luke 12:26)

If you have no control over as small a thing as the hair on your head, why worry about your business, career, finances and relationships? Entrust them to me because I made them for you. Remember they were made for you. You are not made for them. Work for the spread of my Gospel and the glory of my Kingdom and watch how everything else in your life falls in line one by one. When you start working for me, I will start working over your business, career, finances and relationships.

8. So, could you not watch with me one hour? (Matthew 26:40)

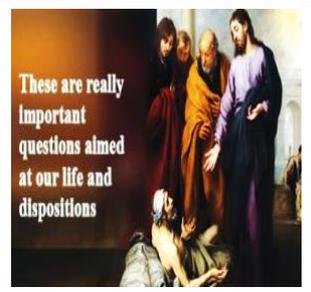

Until and unless you knowingly and willingly spend at least an hour in prayer with me how can you expect our relationship to grow stronger and better. I am not referring to your family prayers but to your personal prayer.

9. Do you believe I can do this? (Matthew 9:28)

When you pray to me, do you believe in your heart of hearts that I am in control of your life and that I do everything for your good? Do you believe that you will receive that which you are praying for? What will be the status of your faith if I choose to give you an answer (to your prayer) that is different from what you anticipate? Will you still have faith in me and put your trust in me.

10. What profit would there be for one to gain the whole world and forfeit his life and what can one give in exchange for his life? (Matthew 16:26)

You are a soul that has been granted a body for a specific mission. Know that your Soul is very precious and that it has been designed for eternity. I give you the option to choose where you want to spend eternity. Aim for heaven so that even if you are not able to make it, you will have a chance of entering it someday through whatever purification you undergo in purgatory. Do not aim for purgatory, because if you miss purgatory, then the place that you would go to is hell.

You'll wait. You'll pray. You'll get frustrated. You'll question everything. But you'll continue to be patient. You'll keep waiting. And you'll keep praying. And one day, when you least expect it, it'll finally happen. So don't ever stop believing. Don't ever stop trusting. And don't ever stop hoping. God is so ready to give you everything you've ever dreamed of — but you have to understand it's on His timing, not yours.

I AM CROWNED

Water can't be destroyed. If you burn it, it turns to vapour.
 When the vapour cools, it turns back to water.
 If you freeze it, it turns to ice.
 When the ice melts, it turns back to water.
 Be resilient like water. It will make you invincible in life.
 It is the water in bamboo that makes it able to bend without breaking, and it is the toughness in you that makes you grow through affliction.
 Hardship may traduce you, but never let it reduce you!
 Nothing can ruin your life if you run your life!
 Often time we see some people getting favoured by God not because they have two heads but because they are heavenly crowned.
 Hardly do they get inflicted by the devil's snare as they don't take God's love for granted.

The following test was developed as a mental age assesment by the School of Psychiatry at Harvard University

GRATITUDE

Gratitude is more than saying 'thanks' as mark of courtesy for support received. Gratitude comes from the hearts as expressed in the French proverb, gratitude is the heart's memory. Thankfulness connects the eyes with the heart. It is seeing goodness with heartfelt appreciation. And according to the Yoruba adage, acts of gratitude brings about greater benefits. Gratitude rejoices the heart, reassures hope for continued goodness and revives life.
